

# Believe

Master P

Hey, hey, oh, ayy  
I'm 'posed to trust you didn't believe (believe in me), ayy  
I'm 'posed to see you didn't believe (believe in me), ayy  
Say you love me but you didn't believe (you didn't believe)  
Now I'm on TV, now you believe (oh, believe in me)

Baby, you don't believe (hey, hey), never believed (never believed)  
You don't believe (yeah, oh), never believed (believe in me), oh  
You don't believe (hey, hey), never believed (never believed)  
Never believed (yeah, oh), never believed (believe in me), oh

You ain't had no faith in me when I was in The Project (uh)  
I'm in that Rolls Royce, now you wanna ride back (uh)  
My youngsta' smokin', silly bitch, catch a contact (uh)  
I'm a real hustler, bitch, you think a nigga wouldn't bounce back (uh)  
I told my niggas, "Hurt nigga, go and chase your dreams" (uh)  
Street niggas makin' Forbes, no more chasin' Feens (uh)  
Nigga grind hard for the kids, nigga, and flippin' dollars (uh)  
And middle fingers to the haters that try to come around us (uh)  
It ain't no love, nigga (no), if you ain't believe in me (you didn't believe in me)  
Now a nigga on top, all you say is you believe in me (you didn't believe in me)  
Fake niggas get nothin', don't believe in me  
Mama told me one day I'll make it, she believed in me (hey, hey, hey, whoa)

Hey, how I 'posed to trust you then believe in me? (Yeah)  
How I 'posed to see you then believe in me? (Yeah)  
Say you love me, but you didn't believe in me (but you didn't believe)  
Now I'm on TV, now you believe in me (oh, oh)  
You don't believe (hey, hey), never believed (never believed)  
You don't believe (yeah, oh), never believed (believe in me)  
You don't believe (hey, hey), never believed (never believed)  
Never believed (yeah, oh), never believed (hey, hey, oh)

I didn't remember seein' you around when I was in need (yeah, yeah)  
I told you that I was gon' make it, but you never really believed  
You see a nigga get to the money, yeah, the fatty, the cheese (hey)  
Now I got shanker like that just to get her from 'round me (whoa)  
They see I get money, they love that  
I fuck on a bitch, make her love that  
She textin' me back sayin' she love that  
I might just hit that bitch up far back  
Would you be there if I had to post bail? No  
Was you there when the ass that get off the scale? No

When I say we in the last day  
You, you, you didn't believe  
Cop killin' every day  
You, you didn't believe (whoa, oh)  
How I'm 'posed to trust you? Didn't believe (in me)  
Hey, how I'm 'posed to see you? Didn't believe (in me)  
Hey, say you love me, but you didn't believe (you didn't believe)  
Now I'm on TV, now you can read me (oh)
