Me and Kevin Gates, we was flippin' them off  
While that nigga talkin' shit, he was drinkin' that off  
Do a shorty, let it shake, let it pop  
Now, nigga, back to the motherfuckin' spot  
Make that ass twerk like you tryin' to get cash  
ATF come, then you better run fast  
Shawty from the ghetto, but damn, she bad  
Call her Megan Goods, she the best I ever had  
So drop it for a real nigga back on the floor  
I wanna put you in the hood on a motherfuckin' porch  
Nigga go hard in a motherfuckin' stove  
Shawty got the comeback, make me want more  
Man, she mad, real one on the game  
Find me in the project pushin' them thangs  
Know I'm a real nigga, so she keep it real  
Knowin' I'm a true nigga, so she keep it real  
She a fan, bitch

Lotta bands in my pants, fresh Adidas shell toes  
Ride the Glock, keep gettin' it, whole block came with it  
Get on top, she quit, it's all a drought, she dead  
Hypnotizin' 'em, thinkin' she a keeper  
She stay home, boozy, I think I might leave her  
She gon' make her booty flip, flip for the people  
Love you, but she fine and I think you might agree (Okay)  
Big fine ass girl makin' songs about your ass  
She so big, got your thongs around her ass  
She so fat, yeah, yeah, my arms around her
