

## Friends With Benefits

Master P

That nigga creepin and I come scoop you up in this spaceship  
I told you, you a bad bitch  
You deserve this life I'm trying to hear  
You know what I'm saying  
A friend with the benefit  
You'll be just in tight shit  
People one hundred you know what I mean

Uh, when I met you out the dell  
You was having problems, you a bad bitch would you need a couple dollars  
Take the Porsche I know that nigga trippin on you,  
Bitch you at the crib man I own I'm deeping on you  
You took kill for that nigga been putting his hands on you  
A real nigga gonna dig it out and bump them bands on you  
I'm really feeling you show them benefits  
Take the key to the crib like is go shit  
You don't need no clothe, go to the Louie Scope  
Is on me should you deserve more  
The way you poppin for a nigga I'm feeling good  
Let's take the trip to Paris baby shit fuck the hood  
You ever laid on the million dollars  
Having sex overlooking the Eiffel tower  
Ain't gone to places you can't even say  
Get massages even grapes to Saint Tropez

Whenever I'm alone girl you know everything's alright  
You know I hold it down girl and I'm a lay you down tonight  
I'm with it if you with it baby, we don't do it no trippin baby  
Fuck it around nigga baby, I got it if you want it girl  
You could bring your homies girl, tell me how do you want it girl

That nigga I ain't even treating you fuckin right  
You're calling me yeah you ain't even calling me fucking right  
I told you shawty go on and do you,  
Let's keep it one hundred you my boo  
Adn I'm a show you how to change your life  
Champagne bubble bears girl all night  
Ain't gotta luck you up I'm a keep you breathe  
You a bad bitch show them niggas you for me  
And ain't no limit to the thuggin shawty  
It ain't no limit to the lovin shorter  
Yeah we friend with them benefits  
Every time you empty girl I could give you plenty shit  
Take you shopping fuck the price tag  
I know them hating hoe ain't go like that  
I'm a treat you like a queen red bottoms on your feet and your dress Alex Mc Queen

Whenever I'm alone girl you know everything's alright  
You know I hold it down girl and I'm a lay you down tonight  
I'm with it if you with it baby, we don't do it no trippin baby  
Fuck it around nigga baby, I got it if you want it girl  
You could bring your homies girl, tell me how do you want it girl

Say every time I wanna close my eyes  
I swear you girl tryin to call me  
And she don't really care about mines

And she ain't' tryint be my girl she just wanna be mine yeah  
She gonna be alright I'm a be the pipe girl he don't do you right  
She like my certain style, she know I.dime  
I'm rolling through the city put your girl and my top down
