## Refrain:

I feel the fire I feel the fire right when I look at you I feel my desire feel my desire you got me hooked on you feel the fir e burning desire give me love not a fantasy feel the fire burning desire you and me come on set me free

#### RAP 1:

Life goes on as it seems love you know what it means to care an d share to live and to give someone looses someone wins feeling s you don't have to hide fire that burns inside if you give up you will loose live your life the way you choose

### Refrain:

## RAP 2:

Try me out take a chance its up to you in your hands trust in me have no frat tell me where we go from here baby baby don't say maybe come on show me what's the way we take high and higher baby can you feel the fire

# Refrain:
