

Nights On Broadway

Masterboy

Here we are in the room full of strangers,
Standing in the dark where your eyes couldnt see me

Well, I have to follow you
Though you didnt want me to.
But that wont stop my lovin you
I cant stay away

Blaming it all on the nights on broadway
Singin them love songs,
Singin them straight to the heart songs.
Blamin it all on the nights on broadway
Singin them sweet sounds
To that crazy, crazy town.

Now in my place
There are so many others
Standin in the line;
How long will they stand between us?

Well, I have to follow you
Though you didnt want me to.
But that wont stop my lovin you
I cant stay away

Blaming it all on the nights on broadway
Singin them love songs,
Singin them straight to the heart songs.
Blamin it all on the nights on broadway
Singin them sweet sounds
To that crazy, crazy town.

I will wait,
Even if it takes forever;
I will wait,
Even if it takes a life time.
Somehow I feel inside
You never ever left my side.
Make it like it was before
Even if it takes a life time, takes a life time.

Blaming it all on the nights on broadway
Singin them love songs,
Singin them straight to the heart songs.
Blamin it all on the nights on broadway
Singin them sweet sounds
To that crazy, crazy town.
