

The Sound Of Mislay

Mat Kerekes

So there you go...
Look at you now, young and alone
Oh, there you go...
Look at you now, it's all my fault
You look so sweet running free
You've got your prayers, I've got me
So there you go...
I loved you so

So there you go...
Look at you now, so beautiful
Oh, there you go...
Look at you now, I've lost it all
You look so sweet without me
You've got your friends, I can't feel a thing
So there you go...
I loved you so
