

Die Hillbilly

Matanza

Hey you! Come close to me boy
Won't you try some cocaine?
Won't you try some liquor?
It's so good, to die and drive insane

Die hillbilly, die hillbilly
Die and rest in pain
Die hillbilly, die hillbilly
Your cousin did the same

Don't look at me
I'm not bad as you think
I'm just a businessman
Traveling blues, you can call me dude
But I'm looking for stupid kind like you

Come on boy
