

Laura

Mates of State

When did it start? We used to be friends Now when I run into you,
I pretend I don't see you I know that you hate me

I've tried to be tough I've tried to be mean I don't want to be
like this And I hope that you listen All I'm trying to say is

Reach out and touch me I'm right here And I don't want to fight
anymore I really wanna be your friend forever Friends until the
end of it all

I know I've made mistakes But I'm asking you give me a break I
really wanna be your friend forever Friends forever

You've been a bitch (Oh no I haven't been) I've been an ass (Oh
yes you have) I don't want to point the finger I just know I don't
like it I don't wanna do this

What can I do? (What should I do?) Is it too late? (Oh, oh, oh)
I just want to say I'm sorry And I hope you listen All I'm trying
to say is

Reach out and touch me I'm right here And I don't want to fight
anymore I really wanna be your friend forever Friends until the
end of it all

I know I've made mistakes But I'm asking you to give me a break
I really wanna be your friend forever Friends forever

Laura, baby, I'm right here And I don't wanna fight anymore I
really wanna be your friend forever Friends until the end of it
all

I know I've made mistakes But I'm asking you to give me a break
I really wanna be your friend forever Friends forever (I wanna
, I wanna, I really really wanna...)
