

Dazed & Confused

Matilda Mann

I'd like to be your answer (Da-da)
Speak when you don't know what to say
I'd like to be your solution (Da-da)
Make no confusion, all my love is here to stay

I was walking nowhere, days to kill
Just waking up and getting older still
I was picking petals, didn't have a clue
Until I stumbled on the sight of you

And the seasons change, and you're stuck again
And you need someone to call

I'd like to be your answer (Da-da)
Speak when you don't know what to say
I'd like to be your solution (Da-da)
Make no confusion, all my love is here to stay

I was in a daydream, dazed and confused
You woke me up, and made the world feel new
I was sinking slowly when you dived right in
With you, it's easy to hold my breath again

And the seasons change, and you're stuck again
And you need someone to call

I'd like to be your answer (Da-da)
Speak when you don't know what to say
I'd like to be your solution (Da-da)
Make no confusion, all my love is here to stay

Dazed and confused
You woke me up, and made the world feel new
Dazed and confused (Da-da)
Dazed and confused (Oh)

I'd like to be your answer (Da-da)
Speak when you don't know what to say
I'd like to be your solution (Da-da)
Make no confusion, all my love is here to stay

I'd do anything for you, baby
I would surrender every time you call
I'd do anything for you, baby
