

In Plain Sight

Matilda Mann

I got off a stop too early
Just to talk about your morning
How exactly did you sleep last night?
Some would say that it's obsessive
But I think it's damn impressive
That I found you hidden in plain sight

Sweeter sounds
Are everywhere I go since you came round
Hold me now
Before I lose all feeling of the ground
I was yours from the beginning
Now my world is only spinning for you now

I flew out to meet your parents
On the Eiffel Tower in Vegas
Bet you never thought I'd see it through
I know you're in high demand
But I've got brand new underpants
And you're the only one I'll show them to

Oh, sweeter sounds
Are everywhere I go since you came round
So hold me now
Before I lose all feeling of the ground
I was yours from the beginning
Now my world is only spinning for you now
