

Like Lava

Matilda Mann

Ooh, ooh-ooh-ooh
Ooh, ooh

She's refined and courteous
But be careful and don't touch
And just simple communication
Would lead to harsh rejection

She's tried to warn you (Oh)
That these feelings, they will haunt you (Oh, oh)
But she's come to realize (Oh, oh, oh)
That the best way to save you (Oh-oh, oh-oh)
Is to lie

She's like lava
Flowin' through your mind
And unaware of the danger
That her beauty hides, oh

She's tried to warn you (Oh)
That these feelings, they will haunt you (Oh, oh)
But she's come to realize (Oh, oh, oh)
That the best way to save you (Oh-oh, oh-oh)
Is to lie

Now brace yourself right now, 'cause here it comes
And thought that you think that there's nothing wrong
Oh, you'll come undone

She's like lava
Flowin' through your mind
