

Meet Cute

Matilda Mann

Met you in a bathtub
At somebody's afters
I don't think I caught your name
Everybody's blurry
I don't think you heard me
When I said I like your face

It's no secret
I've been keeping
Everybody else from you
Pull me closer
Can't get over
Thinking that this could be our cute

We should do this again
Do this again
Can we do this again?
We should do this again
Do it again
Can we do this again
Do it again
We should do this again

Met you at the station
Open invitation
Any time you want to talk
(Talk talk talk to me now)
I'll make any excuse
Coincidence I knew
You're always on 10:04

It's no secret
I've been feeling
Just a little déjà vu
I'm so sure
We've met before
But I've never had a meet quite this cute

We should do this again
Do this again
Can we do this again?
We should do this again
Do it again
Can we do this again
We should do this again
Do it again
Can we do this again
We should do this again
Do it again
Can we do this again
We should do this again
Do it again
Can we do this again

Do it again
Do it again
