

Not Regular

Matisyahu

Don't let the demon get ya
He didn't invent the wheel
And he can not protect ya
When they held a gun up to his head he said now spare the lectu
re
Intimidating ways might make a man who's lesser afraid
But I am not regular
No disrespect but uh oh I'm not regular

No no
No I'm not regular
No I'm not secular
I'm on a quest through many worlds with one investor
No no, no I'm not regular
No I'm not regular
No I'm not secular
I'm on a quest through many worlds

It start with intention
Some just lookin' for a way to send a checkin'
But I be on some stretching
First we smoke out the place chim chimney chim chim
Make the demons come out from the basement
There's a path I know though it might seem slow
Hope you handle yourself when you get to the door
Also need a couple tools
Hope you got those too
Small axe to Chop em Down
Sit back in the arm chair
And let the demons out
