

# Son Come Up

Matisyahu

This is my stage  
This is my place  
Deck of my ship  
Where I cruise over waves  
Wrecked always  
On the side of a island  
Sideways but you know I keep smiling  
Rays of the sun as we blaze  
Till the morning  
Up at five when the baby start crying  
Pop m in the stroller and we off in the silence

Son come up  
Son come up  
Son come up  
Son come up

North, south, east, west  
4 sons  
I'm the dial of the compass  
Jewel of the Nile  
4 directions yes we conquest  
Born for the come up  
Now we turn up  
Learn up  
So you don't get burnt up

Come along  
Follow my song

Moshe's from the water  
Drawn from the river  
Saved by Pharoah's daughter  
But I never been a sinner  
Guess who's coming?  
Guess who's coming to dinner?

Got a spliff for desert  
Where'n sandals in the winter  
Pull the trigger  
How you figure  
I'm a winner  
With a sound that from the inner  
That's my storage in the winter

Son come up  
Son come up  
Son come up  
Son come up

Son come up  
Son come up  
Son come up  
Son come up

Son come up  
Son come up

Son come up  
Son come up

Son come up  
Son come up  
Son come up  
Son come up

Fresh page  
New day  
Awake  
In my bed I lay  
Ray of the son haven't found their way yet  
On their way through the night I prayed  
When I was down and had no one first son and he name was Laivy

Shalom got the bite of the snake  
Got more to prove  
Got more chains to break  
Float like a butterfly and sting like a bee  
That's north and south  
Menachem is the East

Fire in the belly when he goes on beast  
Mode  
Mode  
Mode Judah Maccabee  
Carrying the load  
The future's your oyster  
And we are the sea  
A whole astrology  
A whole astrology

Son come up  
Son come up  
Son come up  
Son come up

Son come up  
Son come up  
Son come up
