

## 2 AM

MATOMA

Cold, running through my body  
Nothing ever felt so right  
I could get lost, you're all that I want  
I need you here, by my side  
You're running through my body  
I feel it inside my bones  
Don't know what's happenin', you got me trippin'  
I don't wanna be alone

Tonight, you're out of sight, oh  
So where you at, where you at? Yeah  
Where you at, where you at? Yeah  
World slows down, I've lost my ground, oh  
So where you at, where you at?  
Where you at?

Two in the morning, I can't control it  
Lost in the moment, I just can't get no sleep  
Two in the morning, everything's frozen  
I keep on falling and I just can't get no sleep

Cold, the sky's getting cloudy  
My eyes start raining  
Makin' a river as it grows bigger  
It's pulling me away downstream  
Now the water is risin'  
My head's going under  
Drowning my thoughts, turning 'em off  
And I just wonder

Where you at? Please take me back, oh  
It's killing me, killing me  
It's killing me, killing me  
World slows down, I've lost my ground, oh  
It's killing me, killing me  
Killing me

Two in the morning, I can't control it  
Lost in the moment, I just can't get no sleep  
Two in the morning, everything's frozen  
I keep on falling and I just can't get no sleep
