

Deeper

MATOMA

The lights go out and there's no one there
I lose my way in the midnight air
Try to break free but I'm sinking
Like a stone tossed in the sea
I can't breathe, so far beneath

Then I feel you
Pull me deeper
Pull me deeper
Into you
Yeah when I feel you
Pull me deeper
Pull me deeper
Into you
Into you

Into you
Into you
Into you
Into you

I found my fate when I feel your touch
Got you in my veins, feel you in my blood
Wanna dive into your body
But I'm breaking down in the dark
I can't tell
If this is real
No no

Then I feel you
Pull me deeper
Pull me deeper
Into you
Yeah when I feel you
Pull me deeper
Pull me deeper
Into you
Into you

When I feel you
Pull me deeper
Pull me deeper
Into you
Into you
