

Heartbeats

MATOMA

Came in like fire
Over my body don't think I can get any higher
It's out of our control
I don't even know
Why I keep falling
Laid on the floor
I don't even know
I don't even know now

You hit me like a fever
How can I go deeper
How can I keep this love alive
When I keep thinking

How many heart beat beat beat beat beats
Until we fall out of time out of reach
How many heart beats have we got
For this love
How many heart beat beat beat beat beats

Go out like fire
Ashes to ashes when everything passes and burns out
Flicker till we fade
The things we used to say
Won't mean the same thing
Strangers again
Our hearts will be alone
Syncopated slow now
Syncopated rhythms
You only gotta listen
You know that it won't last
When we're moving so fast

You hit me like a fever
How can I go deeper
How can I keep this love alive
When I keep thinking

How many heart beat beat beat beat beats
Until we fall out of time out of reach
How many heart beats have we got
For this love
How many heart beat beat beat beat beats

Cause I know when we say forever
It's just the time we spend together
But you know I'm still gonna tell ya
Cause you came in like fire

How many heart beat beat beat beat beats
Until we fall out of time out of reach
How many heart beats have we got
For this love
How many heart beat beat beat beat beats
