

# Summer Feeling

MATOMA

Woke up this morning  
From a dream that we were floating through the sky  
Counting the stars and  
Wishing we could leave all of our fears behind

Life was easy when you were with me  
The sun was setting down, the world was ours  
But life's not easy 'cause you're not with me  
The world just feels like it's falling apart, so...

Take me back to that summer feeling  
Take me back to the start  
Where the ocean's still warm with healing  
And there's still love in my heart

Like a summer feeling  
Oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh  
Like a summer feeling  
Oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh  
Like a summer feeling

Oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh

Playing in the sand  
Our souls painting pictures of beautiful creatures  
Lost without a hand  
To hold on together and hold on forever

Life was easy when you were with me  
The sun was setting down, the world was ours  
But life's not easy 'cause you're not with me  
The world just feels like it's falling apart, so...

Take me back to that summer feeling  
Take me back to the start  
Where the ocean's still warm with healing  
And there's still love in my heart

Like a summer feeling  
Oh, oh, oh  
Like a summer feeling  
Oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh

So take me back to that summer feeling  
Take me back to the start  
Where the ocean's still warm with healing  
And there's still love in my heart

Like a summer feeling

Oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh  
Like a summer feeling  
Oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh  
Like a summer feeling
