

When You Leave

MATOMA

Baby you're the worst but
But your worst was
Still better than everybody
And I hate that
You heard me just say that
But I guess it's true

How many times do I lie in bed
And tell myself a lie
How many times do I turn my head
So my friends don't see me cry

I said that I'll be fine without you
I'll be better when you're gone
I swear I won't think about you
When I'm dancing all night long

'Cause baby I, baby I, baby I
Know that you're no good for me
So why do I, why do I, why do I
Hurt so bad when you leave
Drop

Bad when you leave
So why do I, why do I, why do I
Hurt so bad when you leave

Last time that I saw you
With someone else
I thought I'd be done for good
But my mind's set
Even with the regret
It's always back to you

How many times do I lie in bed
And tell myself a lie
How many times do I turn my head
So my friends don't see me cry

I'll say that I'll be fine without you
I'll be better when you're gone
I swear I won't think about you
When I'm dancing all night long

'Cause baby I, baby I, baby I
Know that you're no good for me
So why do I, why do I, why do I
Hurt so bad when you leave
Drop

Bad when you leave
So why do I, why do I, why do I
Hurt so bad when you leave

I'll be fine without you
I said I'll be fine without you
I said I'll be fine, I said I'll be fine

I said I'll be fine, no I won't think about you, oh

I'll say that I'll be fine without you
I'll be better when you're gone
I swear I won't think about you
When I'm dancing all night long

'Cause baby I, baby I, baby I
Know that you're no good for me
So why do I, why do I, why do I
Hurt so bad when you leave
