## Jolene

## Matraca Berg

Jolene, Jolene, Jolene, Jolene I'm begging of you please don't take my man Jolene, Jolene, Jolene, Jolene Please don't take him just because you can

Your beauty is beyond compare With flaming locks of auburn hair With ivory skin and eyes of emerald green Your smile is like a breath of spring Your voice is soft like summers rain And I cannot compete with you,Jolene

He talks about you in his sleep There's nothing I can do to keep From cryin' when he calls your name Jolene And I could easily understand How you easily take my man But you don't know what he means to me Jolene

Jolene, Jolene, Jolene, Jolene I'm begging of you please don't take my man

You could have your choice of men But I could never love again He's the only one for me Jolene I had to have this talk with you And whatever you decide to do Jolene

Jolene, Jolene, Jolene, Jolene I'm begging of you please don't take my man Jolene, Jolene, Jolene, Jolene Please don't take him just because you can,oh no
