

## Oh Dearie

Matt Berninger

I'm aiming lower  
House turned over  
Haven't talked to no one  
I don't know in how long

Oh dearie  
Don't get near me  
Paralysis has me

I am near the bottom  
Name the blues, I got 'em  
I don't see no brightness  
I'm kinda startin' to like this

Oh dearie  
Don't get near me  
Paralysis has me

How do people do it?  
I cannot see through it  
Bootstraps are in the basement  
Guess I'll use my laces

Oh dearie  
Don't get near me  
Oh dearie  
Don't get near me  
Paralysis has me

I am near the bottom  
Name the blues, I got 'em  
I don't see no brightness  
I'm kind of starting to like this
