

# Can't Stop This Feeling

Matt Bianco

I got that Friday feeling  
Like a runaway express  
I'm walking on the ceiling  
I need something for my stress

I can't stop this feeling, it's taking over me  
I can't stop this feeling, I need a remedy

I need some inspiration  
I've got a party in my head  
Gotta hold my constitution  
Don't put me in the red

I can't stop this feeling, it's taking over me  
I can't stop this feeling, I need a remedy

I need your love - to get me on my feet  
I need your love - I'm on a losing streak  
I need your love - I tell you I can't sleep  
Cos baby, without you I wanna tear it up can't stop

I'm trying to get over  
But I just can't get on top  
It only takes me under  
Cos without you I can't stop

I can't stop this feeling, it's taking over me  
I can't stop this feeling, I need a remedy

I need your love - to get me on my feet  
I need your love - I'm on a losing streak  
I need your love - I tell you I can't sleep  
Cos baby, without you I wanna tear it up can't stop
