

Cha Cha Cuba

Matt Bianco

Going down to the Barrio
What you'll find you'll never know
All around people in the street
Come alive you can feel the heat

Tonight will be something
We don't have to hide
We're crossing the borderline
Our hearts will be racing
We're taking a ride
So hold on to me, we can dance all night

Cha Cha Cuba - It's my kind of music
Cha Cha Cuba - Come on, let's go
Cha Cha Cuba - Everybody do it
Cha Cha Cuba Cha Cha Cha Cha Cha Cuba
Cha Cha Cuba - Everybody do it
Cha Cha Cuba - Come on, let's go
Cha Cha Cuba - The only kind of music
Cha Cha Cuba Cha Cha Cha Cha Cha Cuba

Everyone needs a place to go
Put the life back into your soul
Picks you up when you're feeling low
When you're down at the Barrio

Tonight will be something
We don't have to hide
We're crossing the borderline
Our hearts will be racing
We're taking a ride
So hold on to me, we can dance all night

Cha Cha Cuba - It's my kind of music
Cha Cha Cuba - Come on, let's go
Cha Cha Cuba - Everybody do it
Cha Cha Cuba Cha Cha Cha Cha Cha Cuba
Cha Cha Cuba - Everybody do it
Cha Cha Cuba - Come on, let's go
Cha Cha Cuba - The only kind of music
Cha Cha Cuba Cha Cha Cha Cha Cha Cuba
