

# Dancing In the Street

Matt Bianco

Oh June  
I've been missing you  
Yeah, winter's coming  
Gotta get a job real soon

And June  
When I get some money through, yeah  
I'm getting out of here  
And I'm coming back to you, yeah

I can hear them

Hear them sing, sandals ring  
Everybody's dancing in the street  
Yeah, dancing in the street

Oh June  
When I think of you, yeah  
Oh, you've got that something  
Puts me in the groove

And June  
When I'm loving you, yeah  
Never felt so good  
Never thought I could  
Oh June, yeah

I can hear them

Hear them sing, sandals ring  
Everybody's dancing in the street  
Yeah, dancing in the street  
Dancing in the street

I'm getting out of here  
I know I need you, baby

Hear them sing, sandals ring  
Everybody's dancing in the street  
Yeah  
Oh, you got me  
Dancing in the street  
You got me, got me  
Dancing in the street  
You got me now  
Dancing in the street  
Oh June  
Dancing in the street
