

I Surrender

Matt Bianco

La la la...
I surrender
La la la...
I surrender
Surrender to your love

There's a feeling that comes over me
That I can't deny when I'm with you
Oh you turn me on so tenderly
Nobody makes me feel the way you do

When you lay your love on me
And you whisper in my ear
Secrets only we can hear
Lay your love on me
Oh girl you're all I need

La la la...
I surrender
Oh I can't say no
La la la...
I surrender
Surrender to your love

Ooh my body shiver when we cares
Burning for your kisses so divine
There ain't no deeper love than we possess
Ah baby let tonight be yours and mine

When you lay your love on me
And you whisper in my ear
Secrets only we can hear
Lay your love on me
Oh girl you're all I need

La la la...
I surrender
Oh I can't say no
La la la...
I surrender
Surrender to your love, baby

You're the only one that makes me feel this way
So I surrender
And it's getting stronger baby day by day
Surrender to your love

Lay your love on me
And you whisper in my ear
Secrets only we can hear
Lay your love on me
Oh girl you're all I ever really need

La la la...
I surrender
La la la...
I surrender

Surrender to you
Oh I can't let go baby

La la la...
I surrender
Oh I can't say no
La la la...
I surrender
Surrender to you
Oh I can't say, I can't say no

La la la...
I surrender
Oh I can't say no
La la la...
I surrender
Surrender to you
Oh I can't say, I can't say no
