

# Keep the Vibe

Matt Bianco

Never thought I'd find  
What I found in you  
How was I so blind  
I never really knew  
You opened up my eyes  
To what I've never seen  
Opened up my mind  
To what I can't believe

Though I can't explain  
It's your pleasure pain  
Spinning round again  
Cause I can't get enough

Just keep the vibe  
Keep the vibe

Just the way you are  
Is everything I need  
Scared that we'll go far  
Cause I need you with me  
We can never hide  
What we really feel  
One look in the eyes  
And everything's revealed

Though I can't explain  
It's your pleasure pain  
Spinning round again  
Cause I can't get enough

I can't help the way I feel  
I just love things right  
Tell me what you done to me  
Cause baby you're the reason for the way that I've been feeling  
Keep the vibe

Though I can't explain  
It's your pleasure pain  
Spinning round again  
Cause I can't get enough

I can't help the way I feel  
I just love things right  
Tell me what you done to me  
Cause baby you're the reason for the way that I've been feeling  
Keep the vibe  
Keep the vibe, baby

Keep the vibe  
Keep the vibe  
Keep the vibe, keep the vibe, keep the vibe, keep the vibe  
Keep the vibe, keep the vibe, keep the vibe, keep the vibe  
Keep the vibe  
Keep the vibe, baby  
Keep the vibe  
Keep the vibe, baby

Keep the vibe  
Keep the vibe  
Keep the vibe  
Keep the vibe
