

# Mood Swing

**Matt Bianco**

Mood swing you're the only one  
Makes my heart sing  
Mood swing gets me every time  
There's no warning  
Mood swing nothing feels so good  
What a feeling  
Mood swing baby you and I  
It's the real thing, yeah

When I hear you say ooh aghh  
Go again baby just one more time  
Ooh aghh  
Go again baby just one more time  
I hear you say ooh aghh  
Can't stop this feeling  
I'm on the mood swing

Mood swing standing on the top baby  
I'm the king  
Mood swing just make me forget  
About everything  
Mood swing now I realise  
What I've been missing  
Mood swing when I hear you say  
You want my loving, yeah

When I hear you say ooh aghh  
Go again baby just one more time  
Ooh aghh  
Go again baby just one more time  
I hear you say ooh aghh  
Can't stop this feeling  
I'm on the mood swing

When I hear you say ooh aghh  
Ooh aghh  
Ooh aghh  
Can't stop this feeling  
I'm on the mood swing

Mood swing  
Mood swing

Ooh aghh  
Ooh aghh  
Ooh aghh  
Mood swing

When I hear you say ooh aghh  
Go again baby just one more time  
Ooh aghh  
Go again baby, go again baby  
Ooh aghh  
Just one more time, just one more time  
I'm on the mood swing
