

The Other Side of Love

Matt Bianco

Well, I've built my dreams around you, girl
No one else could ever love you more
But to you that's not enough
Maybe you are meant to break my heart
Nothing I could say could change this part
Through the other side of love

And I miss you, baby, miss you, baby
And I miss you, baby, oh, I miss you, baby

Well, allow the way can bet some time
Thinking what if I could change your mind
That is me I'm dreaming of
And the times goes by, is just the same
Every time that I would hear your name
From the other side of love

And I miss you, baby, miss you, baby
And I miss you, baby, oh, I miss you, baby
And I feel I'm waking up inside

Oh ohh, ohh, I'm not without you, baby
On the other side of love

Well, I've built my dreams around you, girl
No one else could ever love you more
On the other side of love

And I miss you, baby, I miss you, baby
And I feel I'm waking up inside

Oh ohh, ohh, I'm not without you, baby
On the other side of love

And I feel I'm breaking up inside, now baby

And I miss you, baby, miss you, baby
And I miss you, baby, oh, I miss you, baby
And I miss you, baby, miss you, baby
And I miss you, baby, oh, I miss you, baby
