

Time of Your Life

Matt Bianco

When I woke today
I have nothing to say
And I didn't know why
Tired of things that I do
Give me something that's new
I won't ever imply

When you got no constitution
And you can't hide feeling a frustration
And it seems like all your inspiration has gone

Take me to the top of the hill
Make me feel
Everything is sunny-side up
Let me breathe, make me cry
Something to believe because it's
It's the time of your life
It's the time of your life, yeah-yeah
It's the time of your life
It's the time of your life

When you're looking to fight
Maybe there comes a time
When you gotta be strong
You can open a door
Bad was happen before
Just let it go and move on

You know that you got no constitution
And you can't hide feeling a frustration
And it seems like all your inspiration has gone

Take me to the top of the hill
Make me feel
Everything is sunny-side up
Let me breathe, make me cry
Something to believe because it's
It's the time of your life
It's the time of your life, yeah-yeah
It's the time of your life
It's the time of your life

Don't you know that you got no constitution
And you can't hide feeling a frustration
And it seems like all your inspiration has gone

So won't you take me to the top of the hill
Make me feel
Everything is sunny-side up
Let me breathe, make me cry
Something to believe
Take me to the top oh yeah
It's the time of your life
Gimme something to believe because it's
It's the time of your life
It's the time of your life, yeah-yeah
It's the time of your life

It's the time of your life
So won't you take me to the top
