

Unconditional

Matt Bianco

Don't try and hurt me just because you can
Don't try and play me like a game
Don't engage in superficial plans
I'm not here to take the blame
Through it all my love for you
Don't you know that it's unconditional

I try to give you all the best of me
I really hope you understand
I never promised you a guarantee
I'd never be that perfect man
Through it all my love for you
Don't you know that it's unconditional

How did we grow apart let's make it better
Did we have to go this far
Why can't we find a way to stay together
What can I say don't throw it away
Our love

It doesn't have to be this way oh no
My love for you is unconditional
