

Wanderlust

Matt Bianco

I can picture this
In a glossy magazine
You'll be waiting there
In a place I've never been
Are you far away
Or are you standing next to me
Do I dream my life away

I've been around the world
Tried to find my destiny
Stories left untold
Can I solve this mystery
Are you calling me
Or is it just a fantasy
Say it's only wanderlust

Wanderlust

It's an odyssey
It's a fake reality
Am I blind to see
That in my heart you'll never be
Am I lost inside
And I'll never ever be
Your illusion in my mind

It's a hidden bliss
In my dreams you come to me
I can taste your kiss
You're everything you're meant to be
And when the morning comes
I know you won't be next to me
I can't face another day

I, I've been searching for your love
When my world is not enough
To fulfill this wanderlust for you

I search for you

I've been around the world
Tried to find my destiny
Stories left untold
Can I solve this mystery
Are you calling me
Or is it just a fantasy
Say it's only wanderlust

It's wanderlust
I'm searching for your love
Say it's only wanderlust
Maybe tomorrow is the day I'll meet you
