

# If It's Not Me

Cab, Matt

Lookin' at her favourite photograph  
Always thought that I could make you laugh  
And now you seem so cold  
And I'm just cold  
Tell me girl what's your explanation  
Didn't think we have an explanation  
Could it be just my imagination  
Everything's not OK  
Everything's not OK  
I'm sorry girl if it's not me  
I'm sorry girl but can't you see that  
If I'm not Mr Right we livin' a lie  
Should move on with my life  
If it's not me  
If it's not me  
If it's not me  
I need a second to set the record straight  
If I wait till the mornin' it might be too late  
Cause baby I love you so  
But your love's gone away  
Tell me girl what's your explanation  
Didn't think we have an explanation  
Could it be just my imagination  
Everything's not OK  
Everything's not OK

I'm sorry girl if it's not me  
I'm sorry girl but can't you see that  
If I'm not Mr Right we livin' a lie  
Should move on with my life  
If it's not me  
And if your love is gone away girl  
You gotta let me know  
You gotta let me know if it's not me  
I know it's hard to say goodbye  
But you just gotta let me go  
You gotta let me go  
If we break up now life will still go on  
To another day  
Sing another song  
I appreciate all the love you gave  
But girl won't you tell me if it's not me  
If it's not me  
If it's not me  
If it's not me  
If it's not me  
It's not me no it's not me  
I'm sorry girl if it's not me  
I'm sorry girl but can't you see that  
If I'm not Mr Right we livin' a lie  
Should move on with my life  
If it's not me
