

Rich In Love

Matt Dusk

I would like a Maserati
Season tickets to the Yankees
New suits by Armani
Diamond cufflinks from Tiffany's
Dock my yacht down in Miami
Play a round of golf with Tiger Woods
I'd buy myself a Grammy
Just 'cause I could

These are the things
That I'd love to get
But I'm broke as a joke
And I'm swimming in debt
I'm still living like a baller
And I never need a dollar

'Cause I've got what money can't buy
Yeah keep your Dolce & Gabbana
Darling you're a cut above
With you I'm rich, I'm rich in love

I could really use a butler
And a salon for my Monet
A bird in every color
Singing Gershwin every day
Wonderin' if they're sellin' planets
And perhaps a little moon or two
I'll just throw it on my AMEX
Like successful people do

These are the things
That I'll never know
'Cause I'm deep in the red
And I can't get a loan
I'm as happy as a pickle
And I hardly have a nickel

'Cause I've got what money can't buy
Yeah keep your Dolce & Gabbana
Baby you're a cut above
With you I'm rich, I'd never switch
With you I'm rich, rich in love
