

You Make Me Feel So Young

Matt Dusk

You make me feel so young
You make me feel like spring has sprung
Every time I see you grin
I'm such a happy individual

The moment that you speak
I wanna run and play hide-and-seek
I wanna go and bounce the moon
Just like a toy balloon

You and I are just like a couple of tots
Running around the meadow
Picking up all those forget-me-nots

You make me feel so young
You make me feel there are songs to be sung
Bells to be rung, a wonderful fling to be flung

And when I'm old and gray
I'm gonna feel the way I do today
Because you make me feel so young

You make me young
You make me feel like spring has sprung
Every time I see you grin
I'm such a happy individual

The moment that you speak
I wanna run and play hide-and-seek
I'd like to go and bounce the moon
Just like a toy balloon

You and I we are just like a couple of tots
Who are running around the meadow
Picking up all those forget-me-nots

You make me young
You make me feel there are songs to be sung
Lots of bells to be rung, a wonderful fling to be flung

And even when I'm old and gray
I'm gonna feel the way I do today
Because you make me feel so
Yes I just feel so
You make me feel so young
So young
