

# All Of Me

Matt Hammitt

Afraid to love, something that could break  
Could I move on if you were torn away?  
And I'm so close to what I can't control  
I can't give you half my heart and pray He makes you whole

You're gonna have all of me  
You're gonna have all of me  
'Cause you're worth every falling tear  
You're worth facing any fear

You're gonna know all my love  
Even if it's not enough  
Enough to mend our broken hearts  
But giving you all of me is where I'll start

I won't let sadness steal you from my arms  
I won't let pain keep you from my heart  
I'll trade the fear of all that I could lose  
For every moment I'll share with you

You're gonna have all of me  
You're gonna have all of me  
'Cause you're worth every falling tear  
You're worth facing any fear

You're gonna know all my love  
Even if it's not enough  
Enough to mend our broken hearts  
But giving you all of me is where I'll start

Heaven brought you to this moment, it's too wonderful to speak  
You're worth all of me, you're worth all of me  
So let me recklessly love you even if I bleed  
You're worth all of me, you're worth all of me

You're gonna have all of me  
You're gonna have all of me  
'Cause you're worth every falling tear  
You're worth facing any fear

You're gonna know all my love  
Even if it's not enough  
Enough to mend our broken hearts  
But giving you all of me is where I'll start

You're gonna have all of me  
'Cause you're worth every falling tear  
You're worth facing any fear

You're gonna know all my love  
Even if it's not enough  
Enough to mend our broken hearts  
But giving you all of me is where I'll start  
Is where I'll start
