

He Always Wins

Matt Hammitt

As long as I'm able, let the work of my hands
Bring glory to Jesus, on Him I stand
Struggles try to snare me, sin plans defeat
But there is nothing stronger than the Rock beneath

Over any trial, over any sin
My God in Heaven, He always wins
He is over life, He is over death
His love is eternal, it never ends

Oh-ooh, oh-oh-ooh
Oh-ooh, oh-oh-ooh

Like a tree by the waters, my roots run deep
And I thirst for nothing but His love for me
His mercy is endless, His promise is true
I will not be left wanting, when it's Him I choose

Over any trial, over any sin
My God in Heaven, He always wins
He is over life, He is over death
His love is eternal, it never ends

Oh-ooh, oh-oh-ooh
Oh-ooh, oh-oh, oh-oh-ooh

Beginning and end, Jesus
With every breath, Jesus
With all I am, Jesus
Oh! Oh-oh-ooh

Over any trial, over any sin
My God in Heaven, He always wins
He is over life, He is over death
His love is eternal, it never ends
His love is eternal, it never ends

Oh-ooh, it never ends, [?]
Over trials, over sin
He always wins
He always wins
Over life and over death
He always wins
He always wins
Oh-ooh!
He always
He always wins
