

# Throwback Town

**Matt Kennon**

Signs says population 973  
One yellow flashing caution light by the feeding seed  
Betty Lues diner up ahead on the right  
Parking lot full every Saturday night  
Sunday morning rocking by the Baptist is the place to be

In a throwback town  
Where time slows down  
Where Jesus is the savior  
Everybody knows their neighbor  
And at midnight all the lights go out  
That's the way the world goes round in a throwback town

There's an autographed picture of Haggart hanging in the barber shop  
From when his bus broke down one summer on his way to Little Rock  
Newest car in town is 20 years old  
Junior's garage keeps em' all on the road  
When you go to sleep you don't even keep the front door locked,  
no

In a throwback town  
Where time slows down  
Where Jesus is the savior  
Everybody knows their neighbor  
And at midnight all the lights go out  
That's the way the world goes round in a throwback town

In a throwback town  
Where time slows down  
Where Jesus is the savior  
Everybody knows their neighbor  
And at midnight all the lights go out  
That's the way the world goes round  
That's the way the world goes round  
Baby let's settle on down  
In a throwback town...
