

# Money

Matt & Kim

All these songs bout making money  
Money's boring, give me sunny  
Weather and some dirty old jeans  
Just you and me and our dreams

Doesn't take much too be happy  
I don't want it to sound sappy  
As long as Kim is laughing  
I'd be broke and I'd be smiling

I know...

I know that this is me  
I was meant to live real cheap  
Kim won't even park at the valet  
Please put that champagne bottle away

I don't care for fancy clothes  
You've seen me and the shit I wear at shows  
I went to Rick Owens in Soho  
I returned it so she wouldn't know

I don't need too much money...

Life's better  
When we sleep in the van  
Life's better  
When we don't have a plan  
Lives better  
When we loiter in parks and drink in the dark  
Just king cobra and sparks

If there a dress code I'm not going  
BYOB and I'm glowing  
For a long time I didn't know it  
For too long I didn't know me

I know...  
I know...

I know that this is me  
I was meant to live real cheap  
Kim won't even park at the valet  
Please put that champagne bottle away

I don't care for fancy clothes  
You've seen me and the shit I wear at shows  
I went to Rick Owens in Soho  
I returned it so she wouldn't know

I don't need too much money...
