

Cut Deep

Matt Maeson

Cut deep and I'm still alive
I talk my shit till the day I die 'cause
Oh, baby, I live (Ooh)
Oh, baby, I tried (Ooh)
Cut deep and I'm still alive
I talk my shit till the day I die 'cause
Oh, baby, I live (Ooh)
Oh, baby, I'll try

Don't speak when I talk, man, uh
Godspeed when I walk, man, mmm
I speak from my chest, fam, mmm
Bounce back when I lost, scraped off all the rust
I'm just really tryna rock now
Whatcha think, I don't fall?
Whatcha think, I'm not strong?
We're all just tryna move along

Cut deep and I'm still alive
I talk my shit till the day I die 'cause
Oh, baby, I live (Ooh)
Oh, baby, I tried (Ooh)
Cut deep and I'm still alive
I talk my shit till the day I die 'cause
Oh, baby, I live (Ooh)
Oh, baby, I try

I'm about to cause a damn ruckus
How you bleed when you bleed nothing?
How you sing when you can't trust 'em?
Ah, Jesus, please, let me feel something
That's why I hate to be alone
That's why I don't pick up the phone
I just keep moving till I'm numb
We're all just tryna see the sun

Cut deep and I'm still alive
I talk my shit till the day I die 'cause
Oh, baby, I live (Ooh)
Oh, baby, I tried (Ooh)
Cut deep and I'm still alive
I talk my shit till the day I die 'cause
Oh, baby, I live (Ooh)
Oh, baby, I tried (Tried)

I'm behind the wall
Harnessed my reprieve to try and see it all
I'm not scared to talk
They won't fix ya
They ain't with ya
They won't muzzle the mouth that just bit ya

Cut deep and I'm still alive
I talk my shit till the day I die 'cause
Oh, baby, I live (Ooh)
Oh, baby, I tried (Tried)
Cut deep and I'm still alive

I talk my shit till the day I die 'cause
Oh, baby, I live (Ooh)
Oh, baby, I tried
