

Echoes One

Matt Maher

I hear the sound of a voice inside
Keeping me awake in the middle of the night
Telling me to make wrong things right
I hear the sound of a voice inside
I hear the sound of a voice inside
Keeping me awake in the middle of the night
Telling me to make wrong things right
I hear the sound of a voice inside!

I hear the echoes
I hear the echoes
Follow the echoes
Echoes, echoes
I hear the echoes
I hear the echoes
Follow the echoes
Echoes, echoes
