

Light The Way

Matt Maher

There's a song of resurrection
Hope that fills the weary soul
You have made Your home inside
I'm not alone

In the shadow of the valley
Your word a lamp when I can't see
May I not forget the promise
Leading me
You're leading me

You light the way
You light the way
With a fire by night
And a cloud by day
You light the way
You light the way
Where You go I'll go
Where You stay I'll stay
You light the way

We are pilgrims on a journey
Hungry for what lies beyond
Strangers once, now they are family
We belong

We are tellers of a story
Of word made flesh and kingdom come
Of sinners, saints, and hope of glory
Christ alone
Oh, Christ alone

You light the way
You light the way
With a fire by night
And a cloud by day
You light the way
You light the way
Where You go I'll go
Where You stay I'll stay

You're lightin' up my future
You're lightin' up my fate
You're lightin' up my wonder
With endless grace
You're lightin' up my failure
You're lightin' up my feelings
Everything I've carried
Over all these years

You light the way
You light the way
With a fire by night
And a cloud by day
You light the way
You light the way
Where You go I'll go

Where You stay I'll stay

You light the way
You light the way
With a fire by night
And a cloud by day
You light the way
You light the way
Where You go I'll go
Where You stay I'll stay

You're lightin' up my future
You're lightin' up my fate
You're lightin' up my wonder
With endless grace
You're lightin' up my failure
You're lightin' up my feelings
Everything I've carried
Over all these years

You light the way
