

## Anytime, Anyplace, Anyhow

Matt Maltese

I picture you naked at the worst time -  
Eating with my family, playing live  
I don't care for Spain when you're in Shanghai  
Too ashamed to say it  
But I miss everything that's physical about it  
I can hardly function since I lost it  
Hope you know

Anytime, anyplace, anyhow  
You're allowed to call me to your hotel suite  
I don't care who you're with or where you've been  
Anytime, anyplace, anyhow  
You're allowed to treat me like a piece of meat  
I don't care if it's been a year or if it's been 16

I'm apoplectic looking at the stars  
They look like you with your top off  
And even heaven looks at me and laughs  
Even hell don't make em this sad  
Chronically affected by flashbacks  
Perpetually devoted to what we had  
Hope you know

Anytime, anyplace, anyhow  
You're allowed to call me to your motel suite  
I don't care who you're with or where on earth you have been

Oh and anytime, anyplace, anyhow  
You're allowed to call me to a quiet street  
I don't care if you love someone who isn't me  
And anytime, anyplace, anyhow  
You're allowed to treat me like the fix you need  
One more moment in this empty galaxy
