

# As the World Caves In

Matt Maltese

My feet are aching  
And your back is pretty tired  
And we've drunk a couple bottles, babe  
And set our grief aside  
The Papers say it's doomsday  
The button has been pressed  
We're gonna nuke each other up boys  
'Til old Satan stands impressed

And here it is, our final night alive  
And as the earth runs to the ground  
Oh girl it's you that I lie with  
As the atom bomb locks in  
Oh it's you I watch TV with  
As the world, as the world caves in

You put your final suit on  
I paint my fingernails  
Oh we're going out in style babe  
And everything's on sale  
We creep up on extinction  
I pull your arms right in  
I weep and say goodnight love  
While my organs pack it in

And here it is, our final night alive  
And as the earth runs to the ground  
Oh girl it's you that I lie with  
As the atom bomb locks in  
Oh it's you I watch TV with  
As the world, as the world caves...  
Oh it's you that I lie with  
As the atom bomb locks in  
Yes it's you I welcome death with  
As the world, as the world caves in

As the world caves in
