

Catch Me

Matt McAndrew

She told me no one's grass is greener
I saw her face and now I know that I believe her
Won't lay my cards out on the table
A ticking time bomb I don't know how to disable

Good times, bad times
Leave them behind
Yeah

Catch me I'm falling now
Catch me I'm falling now
Catch me I'm falling now
I'm falling
Catch me I'm falling now
Catch me I'm falling now
Catch me I'm falling now
I'm falling

Look out below, baby
Look out below, baby
Look out below, baby
I, I'm falling

I'll be leaving in a moment
Give it time and you may find the gun is loaded
Wrap my arm around your shoulder
The night is young, I want a shot at getting older

Good times, bad times
Leave them behind
Yeah

Catch me I'm falling now
Catch me I'm falling now
Catch me I'm falling now
I'm falling
Catch me I'm falling now
Catch me I'm falling now
Catch me I'm falling now
I'm falling

Look out below, baby
Look out below, baby
Look out below, baby
I, I'm falling

Now we're pacing
Round the basement
The sun's hiding
My heart's racing
The room's burning
It keeps turning
My heart's breaking
I hope we make it

Good times, bad times
Leave them behind

Yeah

Catch me I'm falling now
Catch me I'm falling now
Catch me I'm falling now
I'm falling
Catch me I'm falling now
Catch me I'm falling now
Catch me I'm falling now
I'm falling

Look out below, baby
Look out below, baby
Look out below, baby
I, I'm falling
Look out below, baby
Look out below, baby
Look out below, baby
I, I'm falling

I'm falling
I'm falling
I'm falling
I'm falling
