I was wonderin' 'bout your mama
Did she get that job she wanted?
Sell that car that gave her problems
I'm just curious 'bout her, honest

I know your wonderin' why I been callin'
Like I got ulterior motives
Know we didn't end this so good
But you know we had something so good

I'm wonderin'
Can we still be friends? (ah-ah)
Can we still be friends? (ah-ah)
Doesn't have to end (ah-ah)
But if it ends
Can we be friends?

Can we be friends?
Can we be friends?

Wonderin' if you got a body
To hold you tighter since I left
Wonderin' if you think about me
Actually, don't answer that

I know your wonderin' why I been callin'
Like I got ulterior motives
Know we didn't end this so good
But you know we had something so good

I'm wonderin'
Can we still be friends? (ah-ah)
Can we still be friends? (ah-ah)
Doesn't have to end (ah-ah)
But if it ends
Can we be friends?

Can we be friends?
Can we be friends?

Girl, your wonderin' why I been callin'
Like I got ulterior motives
Know we didn't end this so good
But you know we had something so good

I'm wonderin'
Can we still be friends?
Can we still be friends?
Doesn't have to end (ah-ah)
And if it ends
Can we be friends?
