Sad About Nothing

Matt McAndrew

To the mind-dryin', certain eye
I've wasted all my time
Till the love is done, I'll be the one
Until you're satisfied
I just wanted you to notice
I just wanted you to know
You're the only one devoted
I don't wanna let it go (let it go)

Never been so sad about lost lovin'
Never been so sad about, so sad about nothin'
Givin' up, goin' down
But my heart, it hurts at times
Never been so sad about, so sad about nothin'
Nothin'

Till my eyes are red, I'll be in bed
Just starin' at the signs
Do we take a turn, or crash and burn
Like bloody valentines?
Do we head the wrong direction?
Can I learn the same thing twice
If we put aside affection
And I take my own advice (let it go)

Never been so sad about lost lovin'
Never been so sad about, so sad about nothin'
Givin' up, goin' down
But my heart, it hurts at times
Never been so sad about, so sad about nothin'
Nothin'

Woo-ooh-ooh-ooh, woo-ooh-ooh-ooh
Never been so sad about nothin'
Woo-ooh-ooh-ooh, woo-ooh-ooh-ooh
Never been so sad about nothin'

Never been so sad about lost lovin'
Never been so sad about, so sad about nothin'
Givin' up, goin' down
But my heart, it hurts at times
Never been so sad about, so sad about nothin'
Nothin'
