

I Love The Little Things

Matt Monro

Oh... I love the little things you say
And I love the little things you do
Let's stay forever together this way
My love, I'm so in love with you

When you whisper 'I love you'
And tell me that you're true
I know I'm so lucky
That I've found a girl like you

Oh... I love the little things you say
And I love the little things you do
Let's stay forever together this way
My love, I'm so in love with you

When we're walking together
You slip your hand in mine
I know I'm so lucky
That I've found a girl so fine

I love the little things you say
And I love the little things you do
Let's stay forever together this way
My love, I'm so in love with you

When you touch me and hold me
And kiss me tenderly
I know I'm so lucky
That you came along for me

I love the little things you say
And I love the little things you do
Let's stay forever together this way
My love, I'm so in love with you
My love, I'm so in love with you
