

# I'll Only Miss Her When I Think Of Her

**Matt Monro**

I'll only miss her when I think of her  
And I'll think of her  
All the time

Likely I'll spend my days  
Hearing her turn of phrase  
Things I found hard to praise right now would seem sublime

The truth is  
I'll only miss her when some stranger laughs  
'Cause it's still her laugh  
My heart hears

Maybe in time I guess the longing will grow the slightest bit less  
And there will be moments yes  
When it disappears I bet I'll forget her completely  
In about a hundred  
In about a hundred years
