

Jeannie

Matt Monro

The dawn is glad to be born for Jeannie
The moon will come out too soon for Jeannie
The trees will talk to the breeze about her smile
She'll speak and days of the week will be worthwhile

A star will fall from the sky for Jeannie
And I, I'm willing to die for Jeannie
She is the kind of girl I dreamed my girl would be
That's why I'm so much in love with Jeannie

She is the kind of girl I dreamed my girl would be
That's why I'm so much in love with Jeannie
