

## Once in a While

**Matt Monro**

Once in a while won't you try to give one little thought to me,  
Though someone else may be nearer your heart.  
Once in a while won't you dream of the moments I shared with yo  
u,  
Moments before we two drifted apart.  
In love's smouldering ember one spark may remain.  
If love can remember that spark may burn again.  
I know that I'll be contented with yesterday's memories,  
Knowing you think of me once in a while.
